

Jasa Marga Tbk (JSMR)

Divestasi Perkuat Struktur Modal

Pada 9M24, JSMR berhasil mencatatkan pendapatan usaha sebesar Rp 13,86 triliun, yang tumbuh 25,93% dibandingkan dengan 9M23. Namun, laba usaha JSMR mengalami penurunan sebesar 24,7% YoY menjadi Rp 6,76 triliun, sehingga laba bersih perusahaan juga turun 44,8% YoY menjadi Rp 3,3 triliun, yang disebabkan akibat high-based comparison dengan non-cash gain yang signifikan pada 9M-23.

Tariff Adjustment & Earnings Result

- Pendapatan tol terus bertumbuh pada Q3-24** menjadi Rp4,3 triliun (vs 19% YoY & -2% QoQ) , peningkatan total volume transaksi di jalan tol juga meningkat pada 9M24 sebesar 968.9 juta kendaraan (+1.2% YoY), dengan jalan tol Jakarta-Cikampek menyumbang pendapatan terbesar pada pendapatan tol sebanyak 29,3% dengan tingkat pertumbuhan 12,2% YoY di 9M24. Didukung penyesuaian tarif pada jalan tol tersebut yang naik 35% pada Maret 2024. Namun akibat kenaikan tarif pada jalan tol tersebut terjadi penurunan volume kendaraan -0.6% YoY pada 9M24.
- Penurunan laba bersih pada periode ini terutama disebabkan oleh perbedaan kontribusi other-income (non-cash gain)**, yang berasal dari aksi korporasi yang membuat lonjakan laba menjadi sebesar Rp 4,11 triliun pada 9M23. Aksi korporasi tersebut berupa akibat pemenuhan PPSAK 22 terkait kombinasi bisnis, yang mencakup konsolidasi PT Jasamarga Solo Ngawi, PT Jasamarga Semarang Batang, dan PT Jasamarga Ngawi Kertosono melalui akuisisi saham PT Lintas Marga Jawa oleh PT Jasamarga Transjawa Tol. Selain itu, pada tahun 9M24 pun juga terdapat non-cash gain dari pemenuhan peraturan Menteri Keuangan (PMK) 72 terkait penyusutan aset berwujud dan/atau amortisasi aset tak berwujud yang tercatat hanya sebesar Rp 702,38 miliar.
- Secara keseluruhan tanpa melihat other-income (non-cash gain), perusahaan masih bertumbuh.** Mulai dari EBITDA Margin menjadi 67.04% (vs 62.09%, 9M23). Core profit perseroan untuk 9M-24 bertumbuh mencapai Rp 2,60 triliun (+39,52% YoY). Selain itu, perlu dicatat bahwa pada September 2024, WACD (Weighted Average Cost of Debt) tercatat mengalami sedikit kenaikan menjadi 6,72% (dibandingkan dengan 6,71% pada Juni 2024). Kenaikan ini turut mempengaruhi beban keuangan, yang tercatat sebesar Rp 1,05 triliun (vs +1,83% QoQ, & +9,66% YoY) pada Q3-24. Kami memperkirakan hasil pada Q4-24 akan mengalami kenaikan, didorong oleh peningkatan volume lalu lintas akibat faktor musiman, serta dampak dari kenaikan tarif tol Jakarta-Tangerang sebesar 6,82% yang berlaku pada bulan Oktober 2024. Dimana Tol Jakarta-Tangerang ini memberikan kontribusi sebesar 5,9% terhadap pendapatan tol pada 9M24.

Divestment, Deleveraging & CAPEX

- Pada September 2024, JSMR juga melakukan divestasi pada Jalan Tol Transjawa (JTT) dengan total transaksi Rp 12.82 triliun, dengan kepemilikan saham Jasa Marga sebesar 65% pada JTT (Setelah Right Issue), yang membuat struktur permodalan perusahaan membaik, dimana liabilitas terhadap modal perseroan menjadi sebesar 1.71x (vs 2.3x Q3-23).
- Realisasi dana CAPEX terus berlanjut pada 9M24 sebesar Rp7,06 triliun (vs Rp 4,36 triliun pada 1H24), searah dengan target minimal manajemen di Rp 8 triliun dengan estimasi nilai investasi maksimum Rp 10 triliun. Dengan dana hasil divestasi Jasa Marga akan lebih selektif dalam memperbesar jaringan & akuisisi jalan tol baru yang berfokus pada margin yang baik serta memprioritaskan pada proyek konektivitas di Pulau Jawa seperti Proyek: Jakarta-Cikampek II Selatan, Jogja-Bawen, Jogja-Solo, Probolinggo-Banyuwangi, dan Akses Patimban.

Maintain BUY dengan Target tetap di Rp 6,450

- Kami tetap mempertahankan target harga di Rp 6.450, yang mencerminkan rasio 8,5x EV/EBITDA untuk FY24F, dengan potensi kenaikan sebesar +36,94%. Potensi pertumbuhan ini didorong oleh peningkatan pendapatan dari kenaikan tarif tol, pemanfaatan dana divestasi yang efektif yang juga serta perbaikan struktur permodalan melalui penurunan utang dan beban bunga. Risiko yang perlu diperhatikan termasuk perubahan kebijakan regulasi yang kontraproduktif, kenaikan beban bunga, dan ketidakstabilan kondisi ekonomi makro.
